

FRENCH IMMERSION DAY

Students should be ready to be immersed in French flair, culture, food and fun with this magnifique French education immersion tour. Led by a native French teacher who will lead the tour with the appropriate mix of French and English for the group's language level.

8.30am

Group will be welcomed by their native French and will be transferred to Le French Rendez Vous Restaurant in Takapuna, managed by a wonderful French couple. The restaurant is perfectly located in front of Takapuna Lake and The PumpHouse Theatre (next door) with a very French ambiance.

As soon as the group arrives, they will enjoy a lovely French breakfast with their teacher who will help them to understand the menu. Their teacher will help students to introduce themselves.

10.00am

The PumpHouse Theatre next door will be fully privatised for the group. Two staff will assist the French Teacher, one will be in charge of Health and Safety and the other one for anything technical. During 2 hours, the teacher will teach French through different activities to get them involved and understand more French culture first hand.

12.00pm

Students will have their lunch at the French Rendez Vous Restaurant. They will enjoy amazing French crepes, savoury & sweet ordering in French of course.

1.30pm

During these 3 hours, JP will entertain with a French circus & magic show in French/English.
